

Call for Session Proposals

The Southwestern Social Science Association Women's and Gender Studies Section is seeking session proposals for the upcoming 2011 conference to be held in Las Vegas, Nevada from March 16th through March 19th at the Riviera Hotel and Conference Center. If you are interested in chairing a session, submit session title/proposal with your contact information to:

Michelle Dietert, PhD.
Assistant Professor of Sociology
Texas A & M University –Central Texas
1901 S. Clear Creek Road
Killeen, Texas 76549
dietert1@ct.tamus.edu

Also please indicate if your session will be cross-listed with another area. The deadline for session proposals will be on Friday September 10th. We realize how little notice this is, however the deadline for papers has been moved up significantly from past years to October 15th. Once your session has been approved, you will be responsible for organizing the session. This means that your contact information will be included in the Call For Papers that will go out as soon as we can organize the sessions and that you will be asked to do minor formatting of paper titles, etc so that it can easily be merged into the overall program information. Please address any questions that you have to the above email and thank you for your interest.
