

Call For PAPERS

2012 Annual Meeting of the Southwestern International Studies Association

The Southwestern International Studies Association, an affiliate of the Southwestern Social Science Association, invites submissions for papers, complete panels, round tables, as well as session chairs and discussants for our annual meeting, to be held 4-7 April 2012, at the Manchester Grand Hyatt in San Diego, California.

In keeping with the SSSA's theme, we particularly encourage submissions relating to the meeting theme: "Liberty, Equality, and Fraternity: Striking Gold in the Social Sciences."

Submissions relating to international studies are welcome and encouraged from all academic disciplines.

We particularly welcome submissions authored by or co-authored with undergraduate and graduate students.

SUBMISSION DEADLINE: 1 November 2011

Notification of acceptance will be sent as soon as the review process for all proposals is complete.

To submit a proposal or register to be a session chair or discussant, go to:
