

Southwestern Social Science Association
Call for Papers, Annual Meeting
Interdisciplinary Section

Manchester Grand Hyatt, San Diego, California
April 4 -7, 2012

The SSSA promotes interdisciplinary social science research and encourages scholars to submit proposals that might be of interest to scholars in multiple traditional disciplines to the *Interdisciplinary Section* of the annual meeting.

Please submit appropriate proposals before the October 17, 2011 deadline. The annual meeting will be attended by approximately 1000 social scientists. Participants normally come from all 50 states and more than a dozen countries. The audience for your research is large and diverse. The SSSA Conference also provides numerous formal and informal opportunities to network with fellow social scientists from a variety of disciplines.

We particularly encourage papers related to the meeting theme: “Liberty, Equality, and Fraternity: Striking Gold in the Social Sciences”
